

## CHILDREN ILL AT SCHOOL

Any child becoming ill at school should report to the duty teacher at that time. If the child appears too ill to remain at school, efforts will be made to contact the parents/caregiver.

If the parents/caregivers or Emergency Contact Person cannot be contacted, the Principal will make a decision relative to the matter. Should your child seem unwell before school, it may be advisable to keep him or her at home, or send an explanatory note to the teacher.

*At Cardiff Public School our core principles are  
Harmony, Honesty, Care, Respect and Achievement*
