

CARDIFF PUBLIC SCHOOL
HENNY PENNY HATCHING PROGRAM

Dear Parents/Caregivers

We have booked the Henny Penny Hatching program for our K-2 children next term. (chickens arriving March 13th.) This will include KB KT, 1H, 1/2M and 2L.

This program will include a clear dome hatcher, 12 eggs and 3 one day old chicks and all the necessary equipment for us to look after the new born chicks.

The hatcher will be situated at school, near our classrooms so all children can view the chicks as they hatch and grow.

This program will provide children with an experience which will be remembered, discussed and treasured for years. The program is designed to bring maximum enjoyment and it will be a wonderful opportunity to nurture and care for living creatures, whilst studying their life cycle.

The cost of this program will be **\$2.50 per student**. We hope all children will be able to participate in this wonderful experience.

Money and permission note needs to be in a clearly labelled envelope with child's name, class, Henny Penny Hatchings and returned to your classroom teacher no later than Friday 3rd March.

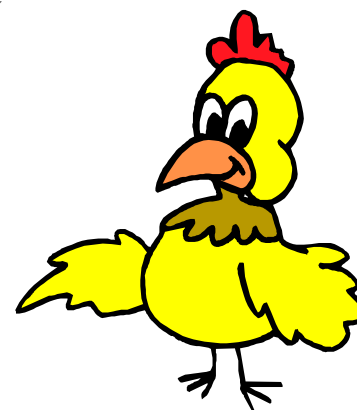

Thank you for your support

Early Stage 1 and Stage 1 Teachers.

M. Kyrwood

Principal
