

PARENT AND CAREGIVER ORGANISATIONS - P & C

The P & C exist as the closest link between the community and the school. They support teaching and learning through fundraising and participate in the decision making of the school.

All parents/caregivers are most warmly welcomed to the parent body meetings and activities. Parents and Citizens' Association, Canteen Committee and Parent Support Group operate within the School.

The P & C meets once a month. Parents Support Group meets regularly during school hours.

*At Cardiff Public School our core principles are
Harmony, Honesty, Care, Respect and Achievement*
