

PLAYGROUND SUPERVISION

Playgrounds are supervised from **8.45 am** each day and throughout the lunch and afternoon recesses. There is no supervision of the grounds before **8.45 am**, or after school is dismissed (except for bus lines and gate crossing).

For the protection of children, parents are advised against allowing children to arrive at school before **8.45 am - no supervision is provided before that time**. Where both parents are working, we have Before and After School Care (OOSH) at Cardiff Public School for your convenience.

Please notify School/Class Teacher, by phone or note, of any changes to normal pick up routine, or, if you are delayed.

Any child who arrives before **8.45 am** is not to play in the grounds or rooms but must remain seated quietly in the designated area. Fixed equipment is out of bounds before and after school hours.

*At Cardiff Public School our core principles are
Harmony, Honesty, Care, Respect and Achievement*
