

SENDING MONEY TO SCHOOL

When sending money to school for excursions, concerts etc., **please enclose money in an envelope**, seal it and **write details on the envelope (name, class, amount and reason/event)**. As a general rule, all money should be handed to your child's Class Teacher. However, amounts over \$10.00 should be brought directly to the office.

Any money for the P & C must be sealed in an envelope with name, class, amount and reason/event clearly written on the front and is to be placed in the **P & C letterbox** in Administration Building.
