From the Principal's Desk

Dear Families,

Another term behind us and things don't seem to be slowing down. In the lead up to the holidays, let me take this opportunity to thank all of our students, staff and families for their efforts throughout the term and throughout the year so far. I have every confidence that our school continues to grow from strength to strength, and I look forward to seeing this continue into Term 4.

Well done to our PSSA Teams

Our Snr and Jnr Soccer and Snr Netball teams all competed at their respective zone finals on Friday. Our students showed great courage, determination and resilience and I'm pleased to say that both our soccer teams finished in third place, whilst our Snr Netball Team took out this year's title. Well done to all involved.

Grandparents Day & Yr 6 Fun Day

On Wednesday, we welcome our many wonderful grandparents, as we hold a special assembly from 12pm before starting our Yr 6 Fun Afternoon immediately after. The assembly will showcase some of our very talented students and celebrate student achievement. The afternoon of fun activities will see our Yr 6 students running lots of fun-filled activities as they raise funds for their Yr 6 Farewell and gift to the school.

Living Smart Project & Festival

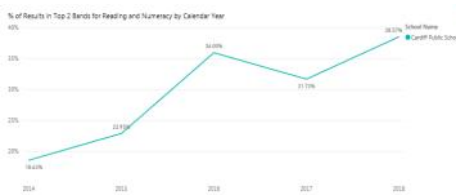

We had the privilege of entering the Living Smart Garden Bed competition at the Living Smart Festival at Speers Point Park on Saturday. Whilst we didn't win on this occasion, we did receive a new garden bed for our school and a number of plants for our garden. A very big thank you goes to Mr Shaw for his efforts in coordinating our entry and, of course, our school Living Smart Project. In Term 4, you will see the completion of our recycled bottle greenhouse and a number of new gardens popping up.

Yarning Circle & Bush Tucker Garden

As part of our Living Smart Project, we will also be establishing a yarning circle and bush tucker garden, commencing next term. During the holidays, the garden area near our Russell St gate will be cleared before we commence works in establishing a yarning circle, and planting a number of bush tucker plants.

NAPLAN 2018—Onward and Upward

Our Yr 3 and Yr 5 students have received their NAPLAN reports and our school has also now received our 2018 data. I'm pleased to report that we continue to grow from strength to strength with our NAPLAN performance.

This graph shows the Premier's priority area of the percentage of students in the top 2 bands for numeracy and reading. Well done everyone.

Transportation of Students

Please be aware that if you are assisting with the transportation of other students for special events, you are required to complete a Working With Children Check declaration and provide a copy of your current driver's licence and registration. Thank you for your understanding and helping to keep our kids safe.

Congrats & Thank You Miss Watson

We would like to congratulate Miss Watson on completing her teacher training at our school and thank her for her wonderful contribution to 1/2H and our school as a whole.

Have a safe & happy holiday!

Mark Kyrwood
Principal

THE LITTLE JUDDIES AUSSIE FARMERS DROUGHT APPEAL

The Little Juddies have been working tirelessly over the past few months collecting, promoting, sorting and packing pallets of food, drinks, toiletries, blankets, vouchers and children's toys. This Friday Mick, Bianca, Jesse and Ruby Judd will make the huge 12 hour journey to deliver the donated goods to The Drought Angles headquarters in Chinchilla, QLD. Good for Kids good for life

7 REASONS TO LIMIT SMALL SCREENS

Nearly half of all children aged between 5-15 years spend more than 2 hours every day on small screen entertainment such as TV, smartphones and tablets.

Children who spend more than 2 hours on screen time per day are more likely to:

- Have an unbalanced diet.
- Be less physically active.
- Have sleep problems.
- Drink more sugary drinks.
- Snack on foods high in sugar, salt and fat.
- Have fewer social interactions.
- Develop poor posture.

Setting up good habits while children are young can make all the difference to their habits and health in later life.

Every Day Counts—Attendance

Regular attendance at school for every student is essential if students are to achieve their potential, and increase their career and life options.

Parents must ensure that their children, who are enrolled at school, attend every day the school is open for their instruction.

They provide an explanation for absences by means such as a telephone call, written note, App notification or email to the school within 7 days from the first day of any period of absence (preferably earlier).

Planning a Family Holiday?

We encourage all of our families to take trips during school holidays. No exemptions can be granted for family holidays, however, parents should contact the school and apply for extended leave, before they go on holidays. Leave will only be granted if it is seen to be in the best interests of the child. Educational, social and participation reasons should be specified on the application and travel documentation should be provided.

Helping your child with reading

Reading every day

Children value reading through watching their family use reading and writing every day.

Encourage your child to read by sharing such activities as:

- finding brands at the shops
- reading signs and posters
- following a street directory
- checking the television guide
- choosing a video
- using a recipe
- reading game rules
- reading the newspaper aloud together
- playing word games or doing crossword puzzles
- reading out instructions
- looking at letterbox leaflets
- reading magazines, comics, poems and rhymes.

Reading aloud together.

Children enjoy reading more if it is shared. Make time away from television and interruptions to read aloud with your child.
