From the Principal's Desk

Dear Families,

Staff News

We look like we will be operating with 10 classes again in 2020. We currently have 40 kindergarten enrolment applications. We have also seen an increase in our executive entitlement for 2020 from 2 Assistant Principals to 3 in 2020. We will be advised from NSW DoE HR shortly about how this position is to be filled.

Mrs Stanley will be taking leave from Week 2 next term as she eagerly awaits the arrival of Baby Stanley. Mrs Cameron (formerly Miss Vassallo) will step in to take over the teaching duties in 1S. Mrs Fortier will fill in as relieving Assistant Principal. We, of course, wish Mrs Stanley all the very best for the arrival of her first child and can't wait to meet the new addition to her family soon.

NAPLAN Results

2019 NAPLAN results have been provided to schools last week. Individual student reports have been sent home on Tuesday this week.

A quick look at our results as a school indicates sustained growth, particularly in the Premier's Priority areas of reading and numeracy. Over the coming weeks we will drill down into our school's data to see what we are doing well and any areas that we can target for future improvement. We are pleased with our general progress across all areas, but we still need to focus on developing our writing skills.

On a side note, we are extremely pleased to see the positive impact that our numeracy initiative is having for our students. **Premier's Priority Areas**

Concert – The Greatest Show on Earth – Evenings Sold Out – some Matinee left.

Final arrangements are being put in place. So much help and support has been shown from so many staff, parents, kids & community...we can't wait to present our 2019 concert!

Please pay particular attention to the information sheets coming out from each of our classes with regard to pick up and drop off times, and what our students need to do to be ready for the show.

None of this would be possible without an enormous team effort. I'd like to sincerely thank all of our staff for stepping up to create this wonderful opportunity for our students. Particular thanks go to Mrs Harde, Miss McMahon, Mrs Kirk and Mr Shaw for their leading roles in all of the planning.

We are sure that you will enjoy the show and be as proud as we are of your children.

Interns - Many Thanks & Good Luck

Emily Ball has commenced her Early Childhood placement after spending 5 weeks with us. Matt Chandler and Sam Phillips will be with us for the remainder of the term. We are very thankful to all of them for joining our team so seamlessly this term, and for continuing on the wonderful work in our classrooms for our students. We congratulate each of them on their successful internships and wish them well in their teaching careers.

Why did the scarecrow win an award?

A: Because he was outstanding in his field!

Colour Run—October 24—2pm

Our P&C are again 'running' a colour run fundraiser for our school. All of our students will have the opportunity to participate as this year we are running the fun run during school time. Students have the opportunity to raise funds for the school by gaining sponsorships for their participation, with some pretty cool prizes on offer. Our P&C are hoping to raise enough funds to install air conditioning in our school hall. More information and sponsorship books will be sent home soon. Parents are invited to join their children in the fun of the run. To make it look more spectacular, all participants are encouraged to wear a white shirt on the day.

Wishing everyone a safe and happy end to Term 3 and a wonderful holiday break.

NSW POLICE FORCE CRIME PREVENTION SERIES

Safe people, Safe places

The safety and wellbeing of our children is paramount. As parents and carers we can't always be with our children to advise and protect them.

When out and about, children can be confronted with situations where good decision-making is vital. With this in mind, advising our children with appropriate responses to certain situations will help them avoid trouble and danger.

Here are some simple tips to give your children for when they are out and about.

Protect your child walking home

- **ALWAYS** identify safe places on the way home from school.
- **DO NOT** stop and talk to people you don't know. Go straight home or to your intended destination.
- **ALWAYS** find a safe place if you feel frightened. These include schools, shops, churches or police/fire/ambulance stations and tell them that you are frightened.
- **NEVER** get into a car with someone you don't know.

Protect your child on public transport

- **NEVER** travel in isolated areas. Find crowded carriages, guard's compartment (marked with a blue light) or at the front of the bus.
- **ALWAYS** try to travel in groups of friends if possible.

Protect your child when in public spaces

- **ALWAYS** carry a contact number for your parents. (On a card attached to your clothing, written on your arms or in your phone).
- **DO NOT** walk away from family or friends without telling them where you are going, when you'll be back and who you are with.
- **ALWAYS** walk away from fights or arguments, unpleasant or aggressive behaviour and take your friends with you.
- **REMEMBER**, always tell your parents, carer or teacher if something has happened.

For more crime prevention information visit us on www.police.nsw.gov.au

Protect your children

Every Day Counts—Attendance

Regular attendance at school for every student is essential if students are to achieve their potential, and increase their career and life options.

Parents must ensure that their children, who are enrolled at school, attend every day the school is open for their instruction.

They provide an explanation for absences by means such as a telephone call, written note, App notification or email to the school within 7 days from the first day of any period of absence (preferably earlier).

Planning a Family Holiday?

We encourage all of our families to take trips during school holidays. No exemptions can be granted for family holidays, however, parents should contact the school and apply for extended leave, before they go on holidays. Leave will only be granted if it is seen to be in the best interests of the child. Educational, social and participation reasons should be specified on the application and travel documentation should be provided.

All Saints Parish

Enrolment for the Sacrament of Reconciliation for children of Year 3 and older will take place at our Vigil or Sunday Masses on 14th and 15th and 21st and 22nd September. Families are asked to attend one of these Masses (your choice) with your child, where you must collect the necessary enrolment forms.

THE YOU CAN DO IT! EDUCATION SOCIAL AND EMOTIONAL LEARNING FRAMEWORK - STUDENT

Sport day will be Friday each week for this Term the whole school.

Students are required to wear their sport uniform on this day.

LIDS F♥R KIDS!

Don't throw away those plastic lids! They can be recycled to make prosthetic limbs for disabled children using 3D printing.

Next time you are planning to throw your bottle cap away, think twice as it can be used to make prosthetics for children using 3D technology.

Did you know it takes 500 lids to make a limb?

The Judd Family at Cardiff Public School, have kindly volunteered to collect as many plastic lids as our school community can provide, and deliver them to "Envision Hands", the company which produce mobility aids for kids

Once the lids are transported to Envision Hands' warehouse in Melbourne, they are organised into colours.

Next, they are shredded and then fed through an extruder, which produces an ink-like filament.

That filament is then used in conjunction with 3D software to print the mobility aids.

Types of container lids that can be recycled include: milk, water, juice and soft drink (only, and NO pop-top lids please!). Could you please rinse the lids and remove the inner seals. A large

storage container will be placed in the library for the collection at our school.

Thank you so much for helping out with this
