## From the Principal's Desk

### Dear Families,

Welcome back for what I'm sure will be a fun-filled and jam packed term. It is one in which we welcome our newest cohort of Kindergarten students and farewell those who are about to start their secondary schooling. Enjoy the ride!

### Kinder Orientation for 2019

Our 2019 Kindergarten transition is well underway with our new students/families having only one orientation session left to go. This session will be held on Nov 9. I'm sure that you'll join me in welcoming all of our new students and families.

### Tell Them From Me—Parent Surveys

Thank you to the 29 parents who have already completed the parent survey for us. We'd love to hear from as many people as possible, so if you haven't already completed the survey for us, you still have until Friday afternoon to complete it.

<http://nsw.tellthemfromme.com/cs64t>

### Term 4 Calendar of Events

At the beginning of the term, we sent out our term calendar. Please keep this on your fridge or somewhere safe so that you can see what is coming up this term. Make sure you look in our COLAD and Xmas Carols because we hope to see lots of our community involved.

### Stage 2 Excursion—Thu/Fri

I'd like to wish all of our Stage 2 campers the very best for their excursion to the Active Education Centre at Morisset on Thursday and Friday. We know that they will have a great time and will come back with lots of fun memories and stories to share. Thank you to Mr Surjan, Mrs Byfield and Mrs Kirk for giving our students this opportunity.

### Canteen Volunteers Needed

If you are able to help, even for just one day, please use our skoolbag app to contact the P&C.

### You Can Do It—Social Emotional Wellbeing Program for 2019.

From 2019 our school will transition from our current CARE program to a new 'You Can Do It' program. This will see some changes in the language that we use and for our values lessons. It will also mean a rebranding of our core values.

The 'You Can Do It' program is used across a large number of schools and focuses on their 5 keys to success, being **CONFIDENCE**, **RESILIENCE**, **ORGANISATION**, **PERSISTENCE** and **GETTING ALONG**. These keys form the focus areas for the lessons that will be delivered to students across the school. They will also quickly become the areas we discuss in terms of student achievement and behaviour. We look forward to rolling this program out in 2019 and will provide more details throughout the transition process.

### Maths PLUS—Mathematics Text Books

In 2019, to complement our mathematics initiative, we will be trialling the use of maths texts books, for each student, as an additional learning tool. It is important here to state that they will not be used in the way that text books have historically been used in classrooms. Students will still receive explicit and guided instruction and participate in hands-on learning activities. The texts books will be utilised to supplement and check their learning...and as such, students are not likely to complete all the activities found within the text book.

### Court Resurface

Work will soon commence to revitalise our netball/basketball court.

**Long Service Leave:** From tomorrow, I will be taking two weeks of leave. Mrs Stanley will relieve in my absence. I look forward to seeing you all again upon my return.

Mark Kyrwood  
Principal

### Every Day Counts—Attendance

Regular attendance at school for every student is essential if students are to achieve their potential, and increase their career and life options.

Parents must ensure that their children, who are enrolled at school, attend every day the school is open for their instruction.

They provide an explanation for absences by means such as a telephone call, written note, App notification or email to the school within 7 days from the first day of any period of absence (preferably earlier).

### Planning a Family Holiday?

We encourage all of our families to take trips during school holidays. No exemptions can be granted for family holidays, however, parents should contact the school and apply for extended leave, before they go on holidays. Leave will only be granted if it is seen to be in the best interests of the child. Educational, social and participation reasons should be specified on the application and travel documentation should be provided.

### Helping your child with reading

#### Reading every day

Children value reading through watching their family use reading and writing every day.

**Encourage your child to read by sharing such activities as:**

- finding brands at the shops
- reading signs and posters
- following a street directory
- checking the television guide
- choosing a video
- using a recipe
- reading game rules
- reading the newspaper aloud together
- playing word games or doing crossword puzzles
- reading out instructions
- looking at letterbox leaflets
- reading magazines, comics, poems and rhymes.

#### Reading aloud together.

Children enjoy reading more if it is shared. Make time away from television and interruptions to read aloud with your child.
