From the Principal's Desk

Dear Families,

Staffing News

As you may or may not know, Mrs Worley has been a temporary teacher at our school for many years. She has been patiently awaiting her service transfer to come through. I'm extremely pleased to announce that not only has Mrs Worley's transfer finally come through...but we are delighted that it has come through right here at Cardiff Public School. We are so pleased to have her join our team on a permanent basis. I'm sure that you'll join with me in congratulating Mrs Worley on her transfer. On a side note, this will not have any impact on our current classes for 2019.

The Greatest Show—Concert

Excitement is building in the lead up to our biennial concert. Students have been rehearsing and putting the final touches on their acts, and our lead actors have been busily learning their roles. We'd like to sincerely thank our group of dedicated volunteer parents who have been helping to print the white T-shirts ready for all of our students.

We are also very appreciative of the efforts all of our families go to in purchasing and preparing their child's costumes.

It took less than 4 weeks to sell out both of our evening performances—we're sorry if you missed out. We do, however, still have a very limited number of tickets still available for our Wednesday Matinee Show.

Celebrating SASS Week

No kids—this has nothing to do with someone being 'sassy'. Our SASS are our School Administration and Support Staff. They are the glue that holds our school together and we would definitely be lost without them. The next time that you see one of our office staff, one of our SLSOs (teachers' aides) or our General Assistant, Mr Dixon, please let them know how much you appreciate their efforts. They truly are our unsung heroes.

Hunter Athletics Championships

Congratulations to our two representatives, Riley & Micah, at last week's Hunter Region Athletics Championships. Both boys braved the atrocious conditions, and competed so well in their respective events. Riley made it through to the 100m final for his age group, and Micah jumped an impressive 3.77m (all in the pouring rain). A fantastic effort by both boys.

Lids for Kids—Recycling Program

Don't throw away those plastic lids! They can be recycled to make prosthetic limbs for disabled children using 3D printing. Next time you are planning to throw your bottle cap away, think twice as it can be used to make prosthetics for children using 3D

Congratulations to all of our PSSA sport representatives throughout the season. The great sportsmanship, effort and school pride shown in every game was wonderful to see. Thank you also to all of the parents who came along to support our students each week. Many thanks also go to Miss McMahon, Mrs Baggs and Mr Surjan for giving up their time to help manage these teams.

Father's Day Stall and DUGS Morning

The P&C extends a HUGE thank you to all the volunteers who helped out at the stall, everyone who donated a something or other, and especially to the Mums, Dads and carers who remembered to pop some change into the kids' hands to spend. It was such a thrill to see all the happy smiling faces as the students searched for treasures and calculated their budget.

Thanks also to the DUGS who came on Friday and bought an extra something or a coffee from the canteen and took part in the activities.

We are pleased to announce that the P&C raised over \$1600 over the two days, a fantastic amount that will be well used to improve school life for every student and family of the school. Well done, and thanks.

Comments and feedback

Did you know that you can leave comments and feedback in the box at the office? Would you like to leave some feedback about the Father's Day stall? Is there something that you want to draw attention to? Just pop a note into the box. You can even be anonymous if you need, or leave a phone number to pursue further.

School Concert Working Bee

There has now been two screen printing sessions and the "Finale" shirts are looking fantastic! If you'd like to join one of the working bees contact Mrs Harde. We have had a lovely time getting to know each other better. If you can spare an hour or so come and help with printing on shirts, ironing, folding and having a chat.

September Meeting

Please feel welcome to attend our September meeting, you do not need to be a member to attend and see what we do and to participate in our discussions, but need to pay \$1 to become a voting member. It is your school, you can have a say! Feedback and ideas are always welcome. Our next meeting will be on Tuesday 10th Sept, 7pm. See you there!

Splash and Dash Fundraiser

Our Splash and Dash Fundraiser will be held on 24th October, and is well underway with delivery of bubble machines, sprinklers and all sort of fun stuff! Stay tuned for more information in the next few weeks.

Generous support is available. Any questions please to Natalie or pandcassociationcardiffpublics@gmail.com. Sincere thanks to Colleen for making herself available until a replacement is found.

Volunteering and WWC checks

NSW POLICE FORCE CRIME PREVENTION SERIES

Safe people, Safe places

The safety and wellbeing of our children is paramount. As parents and carers we can't always be with our children to advise and protect them.

When out and about, children can be confronted with situations where good decision-making is vital. With this in mind, advising our children with appropriate responses to certain situations will help them avoid trouble and danger.

Here are some simple tips to give your children for when they are out and about.

Protect your child walking home

- **ALWAYS** identify safe places on the way home from school.
- **DO NOT** stop and talk to people you don't know. Go straight home or to your intended destination.
- **ALWAYS** find a safe place if you feel frightened. These include schools, shops, churches or police/fire/ambulance stations and tell them that you are frightened.
- **NEVER** get into a car with someone you don't know.

Protect your child on public transport

- **NEVER** travel in isolated areas. Find crowded carriages, guard's compartment (marked with a blue light) or at the front of the bus.
- **ALWAYS** try to travel in groups of friends if possible.

Protect your child when in public spaces

- **ALWAYS** carry a contact number for your parents. (On a card attached to your clothing, written on your arms or in your phone).
- **DO NOT** walk away from family or friends without telling them where you are going, when you'll be back and who you are with.
- **ALWAYS** walk away from fights or arguments, unpleasant or aggressive behaviour and take your friends with you.
- **REMEMBER**, always tell your parents, carer or teacher if something has happened.

Every Day Counts—Attendance

Regular attendance at school for every student is essential if students are to achieve their potential, and increase their career and life options.

Parents must ensure that their children, who are enrolled at school, attend every day the school is open for their instruction.

They provide an explanation for absences by means such as a telephone call, written note, App notification or email to the school within 7 days from the first day of any period of absence (preferably earlier).

Planning a Family Holiday?

We encourage all of our families to take trips during school holidays. No exemptions can be granted for family holidays, however, parents should contact the school and apply for extended leave, before they go on holidays. Leave will only be granted if it is seen to be in the best interests of the child. Educational, social and participation reasons should be specified on the application and travel documentation should be provided.

Wash Your Hands After...

Sport day will be Friday
each week for this Term the
whole school.

Students are required to wear their
sport uniform on this day.

LIDS F♥R KIDS!

Don't throw away those plastic lids! They can be recycled to make prosthetic limbs for disabled children using 3D printing.

Next time you are planning to throw your bottle cap away, think twice as it can be used to make prosthetics for children using 3D technology.

Did you know it takes 500 lids to make a limb?

The Judd Family at Cardiff Public School, have kindly volunteered to collect as many plastic lids as our school community can provide, and deliver them to "Envision Hands", the company which produce mobility aids for kids

Once the lids are transported to Envision Hands' warehouse in Melbourne, they are organised into colours. Next, they are shredded and then fed through an extruder, which produces an ink-like filament.

That filament is then used in conjunction with 3D software to print the mobility aids.

Types of container lids that can be recycled include: milk, water, juice and soft drink (only, and NO pop-top lids please!). Could you please rinse the lids and remove the inner seals. A large storage container will be placed in the library for the collection at our school.

Thank you so much for helping out with this amazing project!
